

DIRECTIONS: This is a 25:1 Concentrate Shampoo and works best in conjunction with the KNS "INFUZER" Shampoo Applicator for a consistent and time saving trip to the wash rack.

Wet cow thoroughly with water. With the KNS "INFUZER" Shampoo Applicator, apply enough Protein Infused Shampoo to cover the entire animal. Work Protein Infused Cattle Shampoo from head to hindquarters. Let stand for approximately 5 minutes, then rinse thoroughly. For best results, repeat process.

Protein Shampoo contains deionized water, concentrated surfactant blend which is soap and detergent free, (coconut shampoo base), vitamin E, glycerin, glyceryl stearate, plant proteins, shea butter, coconut extract, EGDS, EDTA (sequestrant), proprietary blend of coat conditioners and skin moisturizers, DMDH hydantoin, yellow #5. Alcohol free and contains no animal by-products.
